## CAREER ENHANCING CERTIFICATIONS CERTIFIED PLANT SUPERVISOR & CERTIFIED PROFESSIONAL MAINTENANCE MANAGER

Illinois ASBO can help you bring recognized credentials to your district! Certified Plant Supervisor (CPS) and Certified Professional Maintenance Manager (CPMM) certifications, offered in partnership with the Association for Facilities Engineering, are some of the fastest growing and most prestigious certifications of their kind. You will demonstrate that you bring the skills and knowledge to succeed **in all aspects of your profession from the boiler room to the boardroom.**

For those working to become a facilities director or new directors looking to improve on leadership and management skills.

### Topics Covered in Your Training:

- Leadership Development
- Time Management
- Effective Communication Skills
- Front Line Management Skills
- Business and Industrial Law
- Industrial Workplace and Safety
- Intro to Finance and Budgeting

**Time Commitment:** Two-day training course with half a day of testing.

For those who are currently a facilities director and would like to build on their skills within the field of maintenance management.

### Topics Covered in Your Training:

- Preventative, Predictive and Reactive Maintenance
- Inventory Controls
- Computerized Maintenance Management Software
- Indoor Air Quality
- Training and Work Cultures
- Return on Investments
- Safety and Health

**Time Commitment:** Three-day training course with half a day of testing.

**Contact Laura Turnroth at (815) 753-6102 or [lturnroth@iasbo.org](mailto:lturnroth@iasbo.org) for current pricing and registration information.**

## LET ILLINOIS ASBO COORDINATE YOUR TRAINING

Paying one fee to Illinois ASBO gives you access to everything you need to successfully pass your exam and get certified. Illinois ASBO will schedule the training courses, distribute review materials, provide a proctor, trained instructors and a venue for you to take your exam.

To communicate your interest and receive updates on certification classes, contact Laura Turnroth at (815) 753-6102 or [ltturnroth@iasbo.org](mailto:ltturnroth@iasbo.org). You can also find updated information on the Illinois ASBO website: [www.iasbo.tools/fmcertification](http://www.iasbo.tools/fmcertification)

## BRING A NEW LEVEL OF EXPERTISE AND CREDIBILITY TO YOUR DISTRICT

The process of both training and re-certification are rich in professional development. Every piece of knowledge you gain comes back to your district and helps you streamline processes and make the most of your resources in a time of financial strain.

Your certification will demonstrate to your school district that the community's capital assets and properties can be maintained to the highest standards available by a highly qualified and nationally certified facilities manager who is trained to protect their investments.

*“As a Superintendent, I fully endorse this certification for individuals who occupy these difficult positions around the state. The greatest factor in all of this is that it provides for quality educational spaces for the children of Illinois.”*

**-Dr. Philip Bender, Superintendent, Prairie Grove CSD 64**

# KEEP LEARNING AND GROWING WITH ILLINOIS ASBO

## FACILITIES OPERATIONS PROGRAM

The Facilities Operations Program provides a new standard for the development of high quality school facilities professionals. The knowledge base lays the groundwork of what a facility professional needs to know to succeed in their chosen field.

## FACILITIES PROFESSIONALS CONFERENCE

Every spring, facilities managers gather to further their knowledge and skills at this packed day of learning! The conference includes both professional development sessions and exhibits.

## FACILITIES REGIONAL ORGANIZATIONS

Network and share solutions with other local facility managers! Facilities regionals are springing up all over the state and provide an additional opportunity to learn and make connections.
