

Believing To Achieve

A book authored by Ricardo Correia

What is it in your life that ignites a passion within you? Is there something you've always wanted to do or somewhere you've dreamed of going? Have you ever thought about what separates those who dream dreams from those who actually live them? *Believing To Achieve* explains the difference and provides practical guidelines to achieving your goals.

ONLY \$8.00

for CSP Owners Only Retreat attendees

(Rico Correia will autograph your book, if desired)
